It was a trip I'll never forget. The day was incredible and we decided to have a family trip to the nearby mountains to go hiking and have so rest. So, we got ready for a challenging trip. My sister, a light blonde 10-year-old girl, Ann, was extremely excited. Sp

We asked our parents to let us wander around our parking place. They agreed and we happily ran away. I was enjoying the scene view: magnificent mountains, mysterious forest. Meanwhile, it was getting more overcast. Gr

"Let's go there" cried Ann but I didn't pay any attention. She gave me an order told me that I was ignorant and went to the cave. I thought she would come back and I was confused when realised that she disappeared. Gr

Suddenly, I heard a loud noise and ran towards the cave to see my sister caught between two huge rocks. She wasn't able to move her arm. I helped her and we hurried to our parents.

My mum, ^{a tall, beautiful woman} just made a pony-tail and put a cosy blanket above her shoulders. She saw us and shouted: "Why are you so frightened", she was shocked. "It was bizarre to let you go somewhere alone!" 100

After all she calmed down and cheerfully smiled at my sister, who's. It was a bewildering relief to understand that we are alive and together. We were sitting and happily watching the enjoying the scenery. Gr
